TO ABOLISH OPTIONS

(Continued from page 1) vides for the sterilization of brbeciles, feeble-minded and insane persons, rapists, confirmed criminals,

and other defective persons. This bill is introduced on the advice of ex-Gov. John A. Mead in his retiring message. It provides for a committee of three men, one neurlogist, one surgeon, and one practicing physician, each having at least six years' experience, appointed by the governor to carry out the act.

Section 9 of the bill provides a penalty of \$1,000, or imprisonment for not more than five years, or both, against any person performing, or assisting in performing, an operation for the purpose of destroying the power to propagate the human species: also against a person who shall knowingly permit an operation to be performed upon himself or herself, unless the operation is a medical ne-

Baking Powder Absolutely Pure

The Woman Makes the Home

She makes it best who, looking after the culinary department, turns her back resolutely upon unhealthful, or even suspicious, food accessories. She is economical; she knows that true economy does not consist in the use of inferior meat, flour, or baking powder. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.
